

- Tree Champs 501c3
 - <https://www.treechamps.org/>
- Create
 - A carbon-credit calculator
 - Carbon-credit offset products (plant a tree at your house, we will plant a tree at an elementary school– like Tom’s shoes)
 - Create a way to update tree status each year and offer carbon-credits for the tree that was planted
 - Create a better database of client interactions
 - SEO optimization
- Website, database, product development
- 3-5 students
- Potential internship at the end
- Location remote.
